Chorister Scholars Program 2024-2025

Does your child love to sing? Schedule them now for an interview with Trinity's Director of Music, Dr. Michael Messina! mmessina@trinitychurchindy.org

Children age 8 or in 3rd grade are eligible. There is no requirement to be a member of Trinity and no cost to join the program. Choristers are eligible to receive a monetary award for their service.

Rehearsals are held weekly on Tuesdays, 4:30-6pm in the church, from September through May. Choristers sing three Sundays each month in the church, and for services of Evensong, holiday worship, and concerts.

Music at Trinity is diverse, creative, and widely recognized for its excellence. Learning the music of the Church is very much a part of our core value of education. Choristers receive excellent musical training, including voice production, sight reading, and theory of music. The varied repertoire develops musicianship, confidence, and knowledge. Trinity Choir is a mixed intergenerational choir of professionals and volunteers—adults, teens, and children—who work hard and love to sing.
