### Celebrating Mother Mary and Mother Kirsten

Today at our services, we give thanks for the ministries of the Rev. Mary Mail and the Rev. Dr. Kirsten Guidero. Mother Mary is retiring from her role as Priest for Pastoral Care and will continue to worship with us and sing in the Trinity Choir. Mother Kirsten has been serving as the Episcopal Church's Ecumenical and Interreligious Officer and is moving to New York City to continue that work. We are deeply grateful for their ministries, presence, and care within this community, and we send them with our love and prayers.

### Campus Master Plan – Shared Space Parish Input Session

There's still time to share your valuable input!

Trinity Episcopal Church and St. Richard's Episcopal School are partnering with Schmidt Associates to develop a campus master plan that will support and strengthen our shared ministries and programs for years to come. Our next parish input session will be May 13 from 6:00–8:00 PM in the Fortune Room.

This campus master plan is part of a joint initiative between Trinity and St. Richard's made possible through the recent Lilly Grant. If you're unable to attend and would like to share input, please contact Fr. Bradley at [bpacer@trinitychurchindy.org](mailto:bpacer@trinitychurchindy.org) or Ellen Cone, Trinity's Junior Warden, at [ellenkccone@gmail.com](mailto:ellenkccone@gmail.com)

### Coffee with Father Bradley

May 15 | 7:30–9:00 a.m. | Lemler Garden

Join Father Bradley for coffee, pastries, and conversation as we gather together for a relaxed morning of connection and community.

This gathering follows the St. Richard's Bike to School event, and the campus will be full of energy as students, families, parishioners, and neighbors begin the day together. Whether you arrive by bike, by car, or on foot, all are welcome. Stay tuned for more opportunities for Coffee with Clergy in the months ahead.

## Monday Bible Study Summer Sessions

Join us this summer as we explore the Psalms together through conversation, reflection, and prayer. All are welcome.

## Sundays at Trinity: Help Shape What Comes Next

As we continue conversations about Sundays at Trinity and our broader vision as a parish, you're invited to a parish listening session on Sunday, May 17 at 9:00 a.m. and after the 10:15 a.m. service (both in the Fortune Room). This is a chance to share your experience, hopes, and feedback as we consider what comes next. Your voice matters, and we hope you'll join the conversation.

There will be more opportunities to share in the coming weeks. You're also always welcome to speak directly with Fr. Bradley with any questions or concerns. You can reach him at [bpace@trinitychurchindy.org](mailto:bpace@trinitychurchindy.org), or contact his Executive Assistant, Kelly Venhaus, at [ktruman@trinitychurchindy.org](mailto:ktruman@trinitychurchindy.org) or 317.926.1346.

## Faith at the Crossroads End of the Year Celebration & Leave-Taking Liturgy

Join the FATC Fellows as they celebrate four years of ministry, hospitality, and community with a final reception and leave-taking liturgy. A light lunch will be provided, followed by a blessing and closing of FATC and St. Benedict's House.

Sunday, May 17

Lunch at 12:00 PM | Liturgy at 12:45 PM

3256 N. Pennsylvania Street

## Looking Ahead: Parish Picnic

Mark your calendar for our Parish Picnic on May 31 following the 10:15 a.m. service. This is a wonderful chance to kick off summer, spend time together, and celebrate all that makes Trinity such a special community.

Lunch and activities will be provided, and a photographer will be available for family photos—these will also help us update our parish directory. We'll also enjoy Helen Dekker's Dessert Bake Sale benefiting the choir, so be sure to save room for something sweet. Please bring a side dish or salad to share.

We hope you'll join us for a fun and festive day together.
